To the Honble the Supreme Executive Council.

On Examination of the Return of Sales of Sundry Tracts, by the Agents for Confiscated property, in the County of Westmoreland I find that the Tract located in the name of Alexr. Ross & said to be sold to Jas. McKee, was by Judgement of board of Property dated the 1st September 1783 adjudged to Ephm. Blaine in right of James Byers's application No. 2860 dated 6th April 1769.

I find an appn. in the name of John Dunn for 300 As. at a place commonly called the Bullock Penns at the 9 mile run on Genl. Braddock's road adjg. lands claimed by Jno. Frazier, Peter Rolleter, Conrad Winemiller & Wm. Elliot, but not return of Survey thereof.

I donot find any entry in the name of Alexr. Smith nor Wm. Courtney.

As to the 3229 Acres tract, lying on both sides of Braddock's road—I can make no report thereon, not knowing what names the location referred to in the above sd. Retn. of sales, were enter'd in.

JAMES BRISON.

TO THE HONORABLE THE SUPREEM EXECUTIVE COUNCIL OF THE COMMON WEALTH OF PENNSYLVANIA.

We the agents for confiscated property for the County of Westmoreland beg leave to Return that agreeable to our advertisement we did on the twelfth & thirteenth day of October last sell at the Town of Pittsburgh the following Tracts of Land Viz.

This tract was adjudged by the Board of property 1 Sept. 1783 as the surveyor general report to Ephriam Hame.

300 acres at Braddocks upper Crossings in the West side of the Monongahela about fourteen Miles from Fort Pitt & Located in the Name of Alexander Ross. Sold to James McKee for thirty five pounds Specie he being the best & highest bidder at the said Sale for the same.

1. 150 acres being an equal & undivided half of 300 acres at a place call'd the Bullock Pens at the nine Mile Run on General Braddocks road adjoining Lands claimed by John Frazer, Peter Rolleker, Conrad Winemiller & William Elliott. Located in the Name of John Dunn & by him sold to Alexander Ross which half was sold to Abdal McClure for twenty five pounds to be paid in Certificates, he being the best & highest bidder at the said sale for the Same.

2. 300 acres of Land lying about six Miles East of Red stone Fortt confiscated as the property of Alexander Smith. Sold to Captain John Craig for two hundred & two pounds to be paid in Certificates he being the best and highest bidder at the said Sale for the Same in Fayette County.

3. 150 acres on the Loyalhanning Creek confiscated at the property of William Courtney. Sold to Michael Huffnagle Esqr. for fifty five pounds to be paid in Certificates be heing the best & highest bidder at the said Sale for the Same.

3229 acres lying on both Sides of Braddock Road taking in part of Bigg Seweekly confiscated as the property of Alexander Ross. Sold to Coll. Stephen Bayard for £2250 to be paid in Certificates he being the best & highest bidder at the said Sale for the Same.

We beg leave to mention that the Condition of the Sale for this Tract was as follows, that if the whole amount of the Tract could not be secured by the State to the purchaser three should be a deduction of the purchase Money in proportion, our reason for doing this was that we could only find two Locations mentioning the ground there where several Locations found with the draught, which Locations in our opinion where laid on that Ground although a distance off as the Surveyors formerly used to make it a Rule where two or more Locations used to come to their hand mentioning the same ground, they would lay the oldest & lay the others on Vacant Lands. We therefore wish that Before a Deed will be made out for this Tract that the Surveyor General may be directed to order his Deputy for that District to examine the Claim as held by Ross & the different claiments settled within the boundries of the draught & make Return thereof. As we wish that the State may receive a Benefit & the purchaser a Secure Title.

THOS. GALBRAITH.

I shall sett off for the Westward the last day in this Week & could wish to have the Deed to McKee, McClure & myself with me & should also wish to know the opinion of Council whether the would direct us to all Ruins of the Garrison of Fort Pitt purchased by Ross at the time the British sold them.

MICH. HUFFNAGLE.

The Surveyor Gen. directed to make the enquiry suggested in the above report concerning the probable interference of claims to the tract purchased by Colo. Stephen Bayard.

Late the Property of James Rankin, at the time of seizure I could not Learn the Quantity, and now cant sell without council sends a Discription of it, which I shall be Glad may Soon be done as Coll. Stewart and myself intends Selling as soon as we can agreeable to Law after I have a Discription of this place, James Rankin had it surveyed about Seven years ago, William Henry Esqr. has just shewn me a Letter from you to him, Coll. Stewart has been with me and Shew'd one of his advertisements, I told him he was wrong and Shew'd him the Law, he says it was the first time he had seen it and sent a man to thake down those he had put up, and the man hath this Day been brought before the Committee for it But I had mention'd the matter to a member before which settled the matter easily for the man, There is two Agents in this country one twenty five miles above the other about the Same Distance Below Lancaster, Neither of which have made any Seizures, I shall be Glad if Council will inform me if it, is necessary to call on those Gentlemen at that distance to Sign the Advertisements, or if each may not Sign and Sell what he has Seiz'd, or if they must be Signed by more than one if the two that has Acted is not enough, Coll. Stewart Desired me to inquire, if the Sals may not be Held on the Premises as he thinks they would sell better, he had advertised the Sale on the Premises—

I am sir, Your Houours Very
Humble Servant
CHAS. HALL.

To the Honourable the Executive Councill of the State of Pennsylvania.

The Petition & Memorial of Robert Harris humbly Sheweth.

That your memorialist having in the year 1779 purchased a certain Tract or Piece of Land late the Property of James Rankin from the Agents for confiscated Estates in the County of York did sometime afterwards apply to the Honourable Councill for their Deed of Confirmation but as some difficulties then appeared to that Board respecting the Boundery &c. (said Rankin or his Friends having as supposed secreted the papers &c. relative thereto & nothing to be found in the surveyors office belonging to this Tract more than a Warrant issued for the Benefit of one Thomas Reily who was the Original Owner (Councill then thought it best to postpone any confirmation for the present & afterwards advised to apply for

a Resurvey which your Memorialist did obtain; the Return whereof is herewith inclosed surveyed by Mr. Bartram Galbreath to whom the Copy of the Warrant & Mr. Lukins Order of Resurvey was sent but since this Transaction the Original Return of survey has been found in the Office & affords a fresh occasion of delay—in as much as it differs a little from the other in Measurement, tho not more than might be expected after an Interval of near forty years However the Gentlemen of the Land Office decline further proceedings in the matter before they have the advice of the Honorable Council in the premises—inclosed also is the copy of the return of the first Survey—Under these circumstances your memoralist labours under real & great Difficulties for want of his Title—your memoralist has fairly purchased & honorbly paid his money and of Right wishes to have such confirmation & assurances from councill for this Land as the Laws & usage customary within this State in Similar Cases require and therefore Prays that the Honourable Councill will take the Premises under Consideration & do what may be necessary to have his Purchase confirmed & his Tittle to the same ratifyed by Deed Patent or otherwise as you in your Wisdom may judge just and equitable and your memoralist as in Duty bound shall ever pray &c.

There is 100 acres which was Advertised and claimed by George Stevenson Esqr. and a tract in Dover Township which was not Advertised and Claimed by one Miller.—We have Received no account from the Honourable the Chief Judge nor from the Honourable the Supream Executive Council whether the Claim was assertained or not Likewise there is a flat unpon Susquohana not yet Sold which was the property of James Rankin—and as to the personal Estate of the Above Treatiors I can Give no account of as it was Sold a considerable time. Seventeen Thousand and twelve pounds, there is in my hands three thousand and thirty one pounds Sixteen Shillings and two pence and there is out Standing twelve Thousand four hundred and Seventy Eight pound Seventeen Shillings and Sixpence—

We do not Expect to have any trouble with the purchasers only Rankin Carryd away or has Secreted all his papers So that we Could not come to any Certainty of the number of acres in any tract, the terms of Sale was that if any tract would turn out more than it was sold for the purchaser was to pay in proportion to the price it was sold for and if less to be Deducted in proportion and Some of the purchasers is apprehensive that there is not near the Quantity of acres in Some of the tracts that the were Sold for therefor think it unnessessary to pay the whole of the money untill survay'd.

ESTATE OF JAMES & JOHN RANKIN.

Sir.

Last summer I attended as Clerk at the Sales of the Personal Estates of James & John Rankin the pasture of their late dwelling Plantation near York was appraised last fall at £650 who received this money. I do not know, afterwards Mr. Michael Hahn let the said Planta. to his Brother in Law Henry Yessler for one year, at £90 Rent—At this Time there

is 60 Head of Bullocks at pasture there belonging to the publick, and 10 Horses belonging to this Town at 25 p. week. These are very considerable emoluments arising from one Tract of Land, taken from this State and put into one or two mens pockets.

The above Facts, I conceived as my Duty to communicate to Council.

And am Sir your most Humb. Sert.

Sirs,

Council have been petitioned to situate a Negro-man named Ralph, late the property of John Rankin of York Township in York County a fugitive Traytor in consequence of an informal Instrument signed & sealed as it is presumed, by said Rankin. Want of full information, as to the said Instrument, & the time & circumstances in which it was executed & the character of Ralph especially the vise of Assembly, to whom it belongs to make good the defects in his manumission, requires that some delay be made in selling the said Nagro, till his case can be properly looked into.

You are therefore desired to deferr sale of Ralph, for the present, & to hire him out to save expences for some months till the Assembly may meet & determine concerning him.

It is much to be wished, that the proceedings of the late Commissioners for securing the property of persons joining the enemy, were sent to the Treasurer and the money arising from an Sales made, remitted to him. It may be noted, that regularly no sales by the agents should proceed, till the Inventory & appraisement be lodged with the Register who is our secretary. Inattention to these requisites of the Act may be

followed by inconveniscences & difficulties, which a prudent conformity would prevent.

The Petition of Ralph a negroe man formerly the property of John Rankin late of the County of York in the State of Pennsylvania aforesaid Humbly Sheweth

That your petitioner about nine years past, was purchased by the said John Rankin from Robert Power of Chester County in the State aforesaid.

That the said John Rankin at the time of purchase and often afterwards, declared him intentions of manumilling or setting your petitioner free from Slavery as soon as he should serve him time equal to the amount of his purchase money, which declaration can be proved to your honourable Councils full satisfaction by sundry honest and respectable inhabitants of the said County of York.

That after your petitioner had faithfully served the said John Rankin until the twenty fifth day of february Last by his Certificate under his hand and seal manumitted and set your petitioner free from his state of slavery.

That shortly after his freedom as aforesaid the said John Rankin left his abode and tis apprehended went off to the Enemy and his effects were seized on for the use of this State among which was the person of your petitioner.

That your petitioner is apprehensive he will be sold as a slave as part of said John Rankins Estate which your petitioner humbly conceives would be a grevious hardship and the greatest cruelty, as your Petitioner can prove to demonstration he is ispe facto a free man.

That your petitioner Confides the Justice Equity and regard

York Decr. 16th, 1780

May it please Your Excellency.

Mr. Lieutenant Hunter and Mr. Thomas Hartley (the latter appearing in Behalf of the State) applied this Day, to us Two of the Justices of the Peace of this County, and produced your Excellency's Warrant, respecting William Rankin and Captain Davis.

We immediately Secured the Person of the said Davis, who is called Mr. Benjamin Davis, and who went out in the Flying Camp, of this State this County as a Lieutenant.

We also Secured his Chest and the Goods in his Possession.

We found with him a Letter from Abigal Rankin Ann Noblet(which we herewith Send) The Letter was Sealed, and he alledges he received it in the Same State, also a Letter from Robert Chambers of Philadelphia to Mrs. McCahnond Shopkeeper of this place, also an Open Letter from One Carson in New York to a Certain Streiner. And also one other Letter from Mr. Haines of Philadelphia to Andrews of this Place dated at Philadelphia the 12th. December, the three Latter all on private Business.

We have examined also the Goods in his Possession and Send your Excellency a List thereof inclosed.—

We do apprehend That the Articles contained in the List (excepting what are mentioned to belong to Messrs. King & Clayton) are really and truly the Property of Mr. Davis, & are for the use of himself and Family, and from what Information we can get, the Quantity is less than hath been heretofore brought out by Officers in Similar Situation.

Mr. Davis hath a Wife and Family of Children, he had Sold his real Estate when on Parole here since his Captivity, and the Produce thereof, has been nearly exchanged, And tho' we have not the most favourable opinion of William Rankins political Conduct of late, yet we do Consider the Said Davis innocent of the Charges against him so far as we can judge; We are May it please your Excellency,

Recd. the 4th May 1782.

ROBERT (his [REOB] mark) STEWARD.

ESTATE OF WILLIAM, JAMES & JOHN RANKIN.

York County Manaughan Township 16th March 1780.

The following is an account of the proceedings of the agents for this County since my appointment, and I can give no account of the personal Estate of Traitors as it was sold before my appointment.

No. 1. Of James Rankins said to contain 377 acres in York Township sold to Conrad Letherman the 14th of October last for, ...	35201	0	0
No. 2. Of James Rankin said to contain 277 acres same Township sold to James Smith Esqr. the 15th Octr. for, ...	5050	0	0
No. 3. Of James Rankins said to contain 151 acres in Newberry Township sold to Robert Harris the 24th Octr. for, ...	3505	0	0
No. 4. Of James Rankins said to contain 145 acres same Township sold to James Smith Esqr. 13th Octr. for, ...	3553	0	
No. 6. Of James Rankins said to contain 350 acres same Township the undivided half of said 350 was sold to Thomas Armor Junr. 14th Octr. for, ...	1015	0	0
No. 7. Of James Rankins said to contain 287 acres same Township the undivided half of said 287 acres was sold to Thomas Armor Junr. 15th Octr. for, ...	880	0	0
No. 8. Of James Rankin contains 73 acres same Township it being part of 222 acres advertised and the remainder claimed by Ann Noblit and William Rankin, sold to William Rankin 25th Octr. for, ...	100	10	0
No. 9. Of James Rankins said to contain 92 acres same township sold to Captn. John Rankin 15th Octr. for, ...	70

No. 11. If James Rankin said to contain 100 acres same Township sold to John McMaster 14th Octr. for, ...	1407		
No. 1. Of John Rankin said to contain 63 acres in Newberry Township sold to Thomas Johnson 23rd Octr. for, ...	825		

The above named Traitors carried off or secreted all their papers, so there is no certainty what number of acres is in either of the foregoing tracts, the terms of sale was, that if any of the tracts when surveyed contained more acres than it was sold for, the Purchaser was to pay in proportion to the price it would be sold for, and if less to be deducted off the price in proportion, therefore some of the purchasers think it necessary to pay the whole of the purchase money untill the land is surveyed, which was not possible to get done yet upon amount of the snow being so deep, and the ground covered yet.

There are two tracts said to contain 100 acres each not sold one claimed by George Stevenson Esqr. the other by one Miller we have not heard whether their claims were ascertained or not, and a Flat at the River not sold was the property of James Rankins.

I received at different times from the different purchasers,	46032	12	6

Sir.

By your Letter of 21st Ult. pr Henry Miller, enclosing a Copy of a claim & decree (as I apprehend) in favour of Alexr. Wilson against John Wilson, & not in favor of John Wilson who at the time & long before had joined the British & his Estate confiscated.

You mention in your letter "that some proofs is necessary that there was another John Wilson."

The Claim as I apprehend was made by Alexr. Wilson & the decree in his favour for a Tract of Land in Cumberland County, that he had formerly purchased from John Wilson. I have enclosed the claim & decree & wrote to Mr Burd, who I presume if any doubt can arise in whose favour the decree was made can ascertain that matter.

But that claim & decree, be it as may, as I conceive, can have no operation on a different Tract of Land in a different county on which no claim or decree was ever made.

Your attention to this business, to prevent any injury arising to the Creditors from the experation of the Act of Assembly claims my acknowledgements & thought it is with much satisfaction I hear that the state treasury is amply supplied, yet it is not the Case with the Petrs. who are in real distress & are precluded by the Act of Assembly, from applying in the usual manner to a Court of Justice for the Recovery of their debts, your expediting the Order of Sale will much oblidge

THOS. ARMOR.

N. B. on the 12th. of June 1760 the above Tract was first Surveyed as the Property of Abraham Noblit it then contained 196¾ As. & allow. but in Jany. 1761 the said Abraham got me to cut 19½ from it, on this 19½ As. Abraham built a

House & lived there in some years, having then sold his dwelling Plantation to a certain John Brown allowing the above Tract for James Rankin since the demise of Abraham Noblit, I am of opinion that James Rankin has got Charles Lukens Surveyor to Return the whole 196¾ As. into the Surveyor General's office. If this is so, Ann Noblit is wronged of 19½ As.

Dr. Sir.

I have sent a return of all the forfeited Estates Sold ye 1st and 2nd of May last and to whom Sold Mr. Tharp and Crispin was to pay you the Amount of their purchase in order to be pd. to the State treasurer Mr. Tharps you may receive and Crispins all but No. 4 for if it should So hapen that the State could not make him a title he would obtain an undue advantage by having aright to Call apon the treasury for the amount in hard Money, and perhaps would be paid before the poor fellows that Fought and bleed for those Certificates, from those Considerations it being agreeable to the terms of Seal I think it best not to receive any part of the purchase of No. 4—a few lines by the bearer with what Instructions may be Necessary particularly about the Certificates which do not

Call for Interest on their face Will Much oblidge your most Obedient and Very Humble Servant.

One Lewis Claims this and lives on it.

To Thomas Mifflin.

Governor of the Commonwealth of Pennsylvania.

The Petition of William Tharpe of the City of Philadelphia —Merchant.

On the first & second days of May A. D. 1782 the said William Tharpe at a Sale of confiscated Estates at York Town, purchased from a certain James Mitchell Agent for the Sale of confiscated Estates for the County of York, a Tract of Land in New Berry Township in the said County, joining Lands of Henry Emminger James Todd and others, containing about Two hundred Acres, late the Property of William Rankin at One Thousand Three hundred and ten pounds, one other Tract of Land joining the above described and Lands of James McConnel and others, containing about Two hundred Acres, late the Property of the said William Rankin at One Thousand three hundred and Sixty five pounds and one other Tract of land in Warrington Township in the said county of York, joining Lands of William Ferro & others containing about One Hundred and Fifty Acres, late the property of Martin Blackford, at One Thousand One Hundred Pounds he the said William Tharpe being the highest and best Bidder for the same.

Immediately after the Sale, the said William Tharpe paid to the said William Mitchell Nine hundred and Fifty two pounds seventeen shillings and four pence in Certificates, but a Doubt arsing with respect to the Interest to be computed on the said Certificates, as some of them appeared by their Tenor to draw Interest and others did not, the said Mitchell determined to send by the said William Tharpe, all the Certificates he the said Mitchell had received on the said Sales from the said William Tharpe and the other Purchasors, to a certain Henry Osborne at Philadelphia, who then acted as Super-

intendent to the Agents for the Sales of forfeited Estates, in order that he the said Osborne might settle the Interest as he thought proper, and did send the same accordingly together with a Letter from the said Mitchell to the said Osborne, which Letter with the said Certificates was delivered by the said William Tharpe to the said Osborne—When the said Mitchell delivered to the said Tharpe the said Certificates as aforesaid, he directed the said Tharpe to pay to the said Osborne what remained to be paid by the said Tharpe for the said Lands in consequence of the said Tharpe's declaring he was ready to pay the same at any Time: agreably to which said Direction the said Tharpe on the sith Day of September in the year aforesaid paid to the said Osborne in Certificates so much as with the Sum before paid by him amounted to Three thousand Seven hundred and Seventy five pounds the whole of the Purchase Money of the said Land as by a Receipt under the Hand of the said Osborne herewith exhibited plainly appears—

Soon after the last Payment made by the said Tharpe to the said Osborne the said Tharpe applied to the Supream Executive Council of Pennsylvania requesting that as he the said Tharpe had complied with the Conditions of the Sale of the said Lands, a Deed might in due form of law be executed by the President and Council to the said Tharpe for the said Lands, which request was refused, because the said Tharpe did not produce a Survey of the said Lands—Surveys of the said Lands have since been made and Platts thereof at several different times laid before the President and Supreme Executive Council by the said Tharpe but has ever been refused a Deed for the said Lands and every Parcel thereof, it appearing that the said Osborne had not paid in to the Public Treasury the whole Sum of Three thousand seven hundred and seventy five pounds received by him from the said Tharpe as aforesaid but only a part thereof to wit £1003—

Your Petitioner apprehends that under the circumstances before stated, the Payment to the said Henry Osborne was in Law, Reason & Equity a Payment to the said William Mitchell and a full and compleat performance on his Part of every thing necessary and proper by him to be done and performed touching the Premises; that therefore he the said William Tharpe is entitled to a good & perfect Conveyance from the Executive Authority of the Commonwealth to him the said Wm. Tharpe for the several Tracts of Land before described and purchased and paid for by him as aforesaid which in all

humble Manner he prays may be granted to him in due form of law.

The Commonwealth
vs
William Mitchell Esqr.

Appeal from the Comptroller General, In the Supreme Court of Pennsylvania.

York County

In presence of the Honorable Thomas Hartley Esquire On the part of the Commonwealth, appeared before me the Honorable William Bradford Esquire one of the Judges of the Supreme Court, Dr. Joseph Gardner who being solemnly sworn according to Law, Deposeth & Saith That during the time that he served as a Member of the Supreme Executive Council for Chester County, That the Council was much embarrased with a Multiplicity of business, Much of which was settling Accounts with the Agents for collecting the Specific Supplies and the Agents for forfeited Estates. That Mr. Moore the then Vice president being bred a Merchant & Consequently a good Accomptant, was principally employed in rich Settlements, And often complained that it was an improper burthen thrown upon the Hands of Council, and wished some Method to get rid of it, That he this Deponent thinks it probable That in consequence of this Representation of the Vice president & other members of Council that were principally concerned with the Vice president in such Settlements, Col. Jacob Morgan was appointed, to receive, Settle & bring into one View, The accounts of those employed to Collect the Specific Supplies, And thinks it probable although he cannot recollect it certainly that a person was appointed to Communicate the instructions of Council to the Agents for forfeited Estates, And receive and pay to the treasury such sums of Money as should be sent by the said Agents from time to time, And also to present to Council from time to time, A General Statement of such Accounts for their approbation, The Deponent does not remember with any degree of Certainty the appointment of Henry Osbourn, nor what powers he was Vested with, But will recollect the appointment of the said Mr. Osbourn to the Office of Escheator General, And also

his holding Escheat Courts particularly in the County of Bucks, The Deponent also remembers that Mr. Reed the then President being a ready Penman remarkably quick in taking up the Sentiments of Council for the most part with his own hands formed the minutes of Council upon detached pieces of paper, Many of which might be lost or Mislaid notwithstanding the most Scrupluous attention of Mr. Matlak the then Secretary, Who the deponent does not mean to say was extremely Exact or attentive.

Sworn before me this
thirtieth day of April 1792.

ESTATE OF GILBERT HICKS.

To the Honble The Executive Council of the Commonwealth of Pennsylvania—The Petition of Augustine Willet of Bucks County humbly Sheweth,

That your Petitioner on or about the 12th Day of October in the year 1770 was married, in due Form of Law, to Elizabeth Hicks, Daughter of Gilbert Hicks, late of said county who being attainted by the Laws of said Commonwealth, his Estate hath been confiscated and the same is now advertized for Sale—that in Pursuance of said Marriage and in Consideration thereof, the said Gilbert Hicks did give unto your Petitioner a certain House and Garden situate at four & one Ends (?) in said County, and accompanied the said Gift with the immediate Possession thereof—that your said Petitioner hath been ever since in Possession of the same, and conceiving that he hath a Right on Law to the said House and Lot hath filed his Claim for the same—that this Claim will be decided in the Month of September next before the Honble the Judges of the Supreme Court.

Your Petitioner further sheweth, that the Agents for forfeited Estates have advertised the Sale of said House and Lot on the 23d Day of this Instant—Wherefore and to pre-

vent so great an Injury as must arise to your Petitioner from the Sale of said House & Lot, he humbly prays this Honble Board will be pleased, to suspend the Sale of the same (until a Determination shall be had in due Course of Law on his Claim afsd.) by giving Orders for this Purpose to your Agents.

Your Petitioner would further suggest that as the Time is but short, until a Decision will be had on his Claim, the Delay of Sale will be but for a few Weeks, should his Claim be rejected—on the other Hand, should the Sale be made while his Claim is depending, he will be under the necessity of prosecuting his Remedy at Law for the Recovery of the same against the Purchaser.

Your Petitioner therefore prays that your Honble Board will suspend the Sale of said House & Lot agreeably to the Law for the Attainder of Divers Traitors &c and the 6th Section of the Same, from which it appears, that your Honble Board is impowered to sell the Real Estates of Traitors after the Claims relating to them are determined.

And your Petitioner as in Duty bound will ever pray &c.

AUGUSTIN WILLETT.

Philada. August 14th, 1779.

N. B. A Certificate under the Hand of the Chief Justice of the Claim being filed, is herewith handed to the Council.

That your Petitioner bought at public Vendue, held by the agents for forfeited estates for the county of Bucks, on the 18th day of June 1781, a messuage and Plantation situate in Tinicum Township, in the said County of Bucks late the Estate of John Overholt, for the sum of Twelve hundred Pounds, clear of all Incumbrances whatsoever.

That your Petitioner hath duly paid (agreeable to the Terms of sale) three fourth parts of the Purchase Money aforesaid; the remaining fourth part being reserved for the use of the University of the State of Pennsylvania.

That some time after the Sale aforesaid to wit on the 20th Day of September 1781 the Overseers of the Poor of Tinicum Township aforesaid preferred a Petition to the Honorable the Justices of the Supreme Court, on hebalf of Elizabeth Killyou a poor Woman; setting forth "That John Overholt by certain articles of agreement between the said John Overholt and Henry Killyon Husband of the said Elizabeth Killyon, made in his life time, it was agreed that the said Henry Killyon and Elizabeth his wife should have hold and enjoy the Log dwelling House on a certain Tract of land, since Seized by the Agents of forfeited Estates for Bucks County, as the Estate of John Overholt, forfeited by his Attainder of Treason, for their Lives and the Life of the longest liver of them and that they should have sufficient Fire Wood for their use off the said Land, and as large a Garden and in what place they should chuse to make it on the said Land, and be permitted to keep a Horse & Cow on the said Land, which were however to be fed with their own provender," and the same being proved on Oath, where upon the Honorable the Justices of the Supreme Court aforesaid did on the 17th day of April 1782 decree the said Dwelling House to the said Elizabeth Killyon during her Natural Life, The said Henry Killyon being deceased) with the several Privileges before mentioned.

That the said Elizabeth Killyon in pursuance of the Decree aforesaid, hath taken possession of the Dwelling House aforesaid, hath taken possession of the Dwelling House aforesaid and of the Garden thereto belonging, together with nearly one half of the meadow lying contiguous to the said Garden, to the great Injury and Detriment of your Petitioner.

Your Petitioner therefore humbly prays your Honorable Board may be pleased to order the said Elizabeth Killyon to be removed from the said Premises and to be provided for in some other manner; or grant him such relief in the premises as to your Honorable Board in Wisdom shall seem meet.

PATRICK HUNTER.

To his Excellency the President, vice President & the other members of the Supreme Executive Council of the Commonwealth of Pennsylvania.

The Memorial & Petition of Joseph Thomas Humbly Sheweth That your petitioner some considerable Time agoe purchased a confiscated Estate in Bucks County that the former owner has lately brought an ejectment against me, and taken forreable possession of the premises, your petitioner therefore humbly requests, that your Honble Board would take this matter under your consideration and appoint a counsel in Law to depend the title which this State has made; or any other method which you in yr. wisdom shall think most proper respecting the Premises, and yr. Petitioner as in duty shall ever pray.

Decem. 2d, 1786.

JOS. THOMAS.

To his Excellency John Dickinson Esquire President and the Supreme executive Council of the Commonwealth of Pennsylvania.

The Petition of John Forbert of Newton in the County of Bucks Humbly Sheweth,

That Saml. Biles & Alexander Bartram both late of the County of Bucks being attainted of Treason for Joyning the common Enemy of these United States whereby their Property became forfeited to this Commonwealth That your Petitioner having administred on the Estate of Deborah Siddon late of Newton deceased upon examining the books of the said deceased find them charged with divers sums contracted previous to their attainted.

Your Petitioner having been advised of the most eligible Method to obtain Redress in this behalf exhibited his Claim to the Justices of the Supreme Court by whom the following Sums were decreed to the said Estate (to wit) One hundred & seven pounds twelve shillings & eleven pence against the Estate of Saml. Biles afd. And twenty six pounds eight shillings & eight pence against the Estate of Alexander Bartram as by a Copy from the Record which he herewith produces will more evidently appear Your Petitioner is particularly Induced to make this application to your Honours because of the said Estate being much Imbarrassed by the rapid depreciation of the continental currency & other Misfortunes that have attended it. He Therefore begs that your Honors take the Premises into your consideration and if constant grant an Order on the Treasurer for the Sums above specified or to do whatsoever you in your Wisdom shall think it.

And your Petitioner as in duty bound shall ever pray &c. &c.

ESTATE OF ROBERT CHALFANT.

To the Honourable the Supreme Executive Council held for the State of Pennsylvania.

The Petition of Robert Chalfont Inhabitent of Newlin township in the County of Chester Respectfully sheweth,

That your Petitioner being aged and some years past have been deprived of eye sight which have rendered me uncapable of attending to my ordinary business by which my estate became Involved and reduced me to the necessity of selling a part of my Land to a certain Curtis Lewis who soon after went to the brittish army for which his Estate was confiscated and deprived me of getting my money however soon after there was a Law passed for the Creaditors of Confiscated Estates to lay in their claim and they should be paid accordingly I did lay in my claim and received a certificate upon the State and for want of the money I had to mortgage my plantation in the General Loan office expecting to get pay from the Publick to answer the same and now I am sued by the Trustees of the Loan office for my quota which I conceive to be very hard that I should be appressed when I have a certificate upon the State for £381 11 5 and part of the Interest not yet Paid Therefore I humbly Pray your honours may be pleased to take the Premises into Consideration and if it is consistant with your Wisdom pospone the suit till I should receive money on my certificate to pay it off as I am an old blind man.

And your Petitioner as in duty bound shall pray.

ESTATE OF PHILIP MARCHINGTON.

Philip Marchingtons Estate 402 acres sold by Agents 1781 to Jas. Hutchinson who conveyed to Genl. Humpton in 1782 who now holds it, Apl. 1787—claims have been made which were determined by the supreme Court—Viz George Liggot under whom Marchington held before Attainder who reclaimed it as if he had not been paid daughters and brothers also claimed shares but were also decided against em—There are now depending the Claims of—Kincaid is right of his wife A sister of George Liggot for a Childs share alledging that George liggot (he whom with his Mother and Brother and sisters the sold Estate decended from Old Liggot) had never paid him for sd. share and had no right to sell it—sd. Kincaid did receive the full consideration from George Liggot, his wifes share and Mr. McKean before the revolution brought a suit for George Liggot to compel sd. Kincaid to convey to him sd. part so pd. for) Also Old Liggots wife and George Liggots mother claims her thirds of sd. Estate which she says she never was satisfied by George for And never conveyed her right of to sd. George—she consented to her son George selling to Marchington and no such reservation was made in the deed—Wittnesses proved at Chester that Marchington paid upwards of £1800 the Consideration to George Liggot and the old lady being asked by Judge McKean would not swear that George had not satisfied her for her thirds—but George Liggot now swears he never paid his mother her sd. thirds—The Attorney General is possessed of The Origl Articles of Agreemt. between George Liggot and Marchington, and of the deed of Release from the several co-heirs of Geo. Liggott but sd. Release is not signed by sd. Kincaid nor by Georges Mother—Note, George Liggot Mortgaged sd. Estate April 1774 to the Trustees of the Genl. Loan Office for £200, there is with the Mortgage deeds the opinion of George Ross that sd. George Liggot had a good title in the Estate so mortgaged.

Note by old Liggots will the Estate aforesaid was devised to George Liggot but some doubtful express in the will made the Mother and the other Children set up their claim to the astat afores, but George Ross esteemed the devise by sd. will to George Liggot as a foresd. to be a good one And valid in law, but they Agreed to have it settled by arbitration and the record of The arbritration determination shews that they allowed to each of The other Children And to the Mother

their shares, all of which it is supposed sd. George Bot off altho the case is not signed by the Mother or by Kincaid.

The state knew nothing of the mortgage on the land when they sold to Hutchinson, and George Liggot when he conveyed to Marchington did not set forth the sd. incumbrance of the sd. estate to the Loan Office as appears by the agreement between George Liggot and Marchington George Liggot lives in Maryland keeps a tavern near Baltimore.

Mr. Kincaid having recd. the consideration so his wifes share was fully proved and Mr. McKean Atty. in the case for George Liggot perfectly knows it and has a letter from Kincaid acknowledging it therefore I claim must fail.

The old womans claim must have been satisfied by George because she was on the shot when her son sold a fee simple to Marchington in 1775 or 1776—because geo. Liggot had a tenant tenants on the place who pd. the rent till he sold to Marchington and the old women moved off the sd. Estate from when it is presumed she was satisfied or she would not have left it When Marchington bot it it was held by German Davis or John Jordan on an unexpired lease The sd. tenant held it under Marchington And paid him the rent till the time of his Attainder—And afterwards George Liggot reclaiming as aforesaid recd. £30 a year the full rent from German Davis who was on it till the time of sale—this full rent being pd. to George is a strong proof the mothers thirds had been satisfied thereout.

LUZERNE COUNTY.

ESTATE OF ANDREW ALLEN.

Whereas Matthias Hallenback Agent for forfeited estates for Luzerne County has advertised for sale as the estate of Andrew Allen Five thousand four hundred acres of land on the branches of Tunchannock and Meschappisic creeks—this is therefore to give Notice to all persons concerned that the said five thousand four hundred Acres of land is part of a large tract of Thirty six thousand acres of land in the said county taken up by warrant from the proprietary land office in the year 1774 for the use of Benjamin Chue Samuel Meredith Edward Shippen junr., Joseph Shippen junr. and Andrew Allen who by agreement bearing date October 16, 1775 did covinant to stand seized as tenants in Common of the said tract of thirty six thousand acres of land; that is to say, after having deducted one fourth part of the whole for the use of Robert Wilson, one fifth of the remainder was to be held by the said Benjamin Chew—one fifth part by the said Andrew Allen one fifth part by the said Edward Shippen junr.—one fifth part by the said Samuel Meredith and one fifth part by the said Joseph Shippen junr. as tenants in common until partition could be made between them. But partition of the said tract having never yet been made the tenancy in common still subsists, and no tenant in common conpact with more than an undivided right. As the Commonwealth of Pennsylvania therefore only hold the right of Andrew Allen as he held it they can only make a title to Andrew Allen's undivided one fifth part thereof after the deduction of one fourth part thereof as aforesaid, and who ever becomes a purchaser under the Commonwealth must purchase liable to the said Tenancy in Common, namely Andrew Allen's undivided one fifth part of the whole after Reduction of one fourth part as aforesaid.

JNO. TURNER.

Gentlemen,

A Memorial has lately been presented to Council by Lt. Col. Joshiah Harmer of the Pa. line stating that early in July 1781 a tract of land situate in time Stone Valley, late the estate of Alexander Bartram, was purchased from you, as Commissioners for the sale of confiscated estates in the County of Northumberland by his agent Capt. Wm. Grey & that the sum of £200 in depreciation certificates, were paid into your hands in consideration thereof—But that upon farther enquiry it appears that no such tract of land is to be found.

This representation rests upon the deposition of Captain Grey which is also before Council. I have it therefore in command to call upon you for a state of this case and whether there be any other tract to satisfy the claims of Col. Harmer. You will be pleased to report upon it as soon as possible.

I am Gentlemen, with much respect, Your most obedt. Humble Servant.

ESTATE OF THOS. GORDON.

To the honorable the supreme executive council of Pennsa

The Petition of Thomas Gordon—Humbly Sheweth, That your Petitioner stands attainted of high Treason against this Common Wealth & that any former Property which consists of One third of a House & Lot in Lodge Alley now in Possession of Ann Predeaux, one third of a House in front street

now in Possession of Benjn. Condy, one third of another small house also in front Street now in possession of John Purvis and one sixth of a small Plantation about eight miles from this city in the Township of Oxford Philada. County now in Possession of John Saltar Esqr. is thereby forfeited to the State but not yet taken. The consequence that arises from this circumstance is that I am not able to get my claim allowed by the British Commissioners yet I may have some restitution there agreable to their act of Parliment for they require not only proof of forfeiture, but of sale also.

The honorable Council will see by the enclosed Papers yt. my Situation has been singularly hard.

I was but a youth & not at my own Disposal when I was by mother put on Board a British vessel, who had assigned me to follow the seas for my Livelihood—nay I once effected an escape from them came Home & endeavor'd to get to the American Army & join it under the Protection of Capt. Holmes, but was prevented by my mother who inflexibly adhered to his first Design, & brought me into Philada. & put me on Board a british vessel—the winter ye English Army & Fleet were here.

I was not even of age when proscribed by council. I therefore take the Liberty to pray that you would please to indulge me with ordering my Estate to be sold by which I shall be able to have an allowance from them on whose account I have suffered.

I held this Property in Common with several sisters now as my situation is truely unfortunate, & my sisters perfectly innocent, I take the Liberty to pray that my Estate may be ordered to be sold all together at one puting up, that they may become the purchasers for it was an unhappy event, if strangers should purchased in a small part of each of their Houses, which would not be so likely to take Place, if all were sold together, as would be if they were retailed out in such small sales—If council had it in their Power to have the Estate valued & let them take it immediate payment would be made for the same in specie.

This last part seems a very distressing circumstance that I should have involved my near connections in such an embarassing a situation. Therefore I refer the matter to your honorable council & pray that you would do, as your clemency and Humanity shall dictate.

To the Honorable the Representatives of the Commonwealth of Pennsylvania in general Assembly met.—

The Memorial and Petition of William Whitebread of the City of Philadelphia, respectfully sheweth.—

That your Memorialist did several years before the late Revolution Mortgage a certain Lot or piece of Ground (in Poplar Lane in the Northern Liberties of the City of Philadelphia, containing two acres) to the late Corporation of the City aforesaid, to secure the payment of One Hundred Pounds, the Interest on which your Memorialist paid as it became due, until nearly the Commencement of the late War—and your Memorialist understanding that all the Records & Papers of the said Corporation were carried from this City on its being Evacuated by the Brittish Troops, and not anybody appearing to act in behalf of said Corporation, hath prevented your Memorialist from paying the Interest on the said Mortgage for several years past, And now understanding the Papers & Records aforesaid have (on a Settlement of the Peace) been returned to the honorable the Executive Council of this Commonwealth.—

Your Memorialist therefore petitions your honorable Body and begs leave to be informed in what manner your Petitioner is to act respecting the same, and what your Honorable Body are pleas'd to expect from him in the Premises, and your Petitioner begs leave further to represent that in consequence of the Ravages of the War and desolation of the Country (by the Brittish Army) near this City, that your Petitioner has suffer'd greatly in his Interest in the Lot of Ground aforesaid Not having been able for a long time to receive any Rents, issues or Profits from the Premises, and he has also sustain'd much loss and suffering otherwise by them in his old age and infirmity.—

ment or indulgence of the Interest or otherwise respecting the same, which your honorable body shall in your Wisdom and justice seem meet to grant, and for which your Petitioner (as in duty bound) will consider himself forever thankfull and gratefull.

ESTATE OF OSWALD EVE.

Sir

I beg leave to Report

That I have considered the within Papers which Relate to a quantity of Powder seized by Edward Evans and cosimo medicos from Oswald Eve and applied to The use of The Army Mr. Evans represents that there was at least three waggon loads thus taken and applied, but at present there appears Receipts Only for nine Barrels and Eight kegs thereof as Mr. Eve hath been attainted of Treason, I am of opinion that this State should have credit in account with the United States for the quantity as part of the Property of sd. Eve forfeited to this Commonwealth, as he had formed a contract with the Congress for supplying and manufacturing Powder, I have taken pains to ascertain that the powder of The United States was all delivered before this seizure and that this was therefore Oswald Eves Private property. Mr. Evans expects and claims an allowance this I have told him will be with your Excelly. & Council. I have stated The account as follows vizt

United States Dr.

for 9 barrels and 8 kegs of Powder late the property of Oswald Eve supposed to contain 1168 lb. taken for the use of The cont. army at 7-6 specie 438 0 0

ESTATE OF WM. POLARD.

To his Excellency the President and the Honble the Members of the Executive Council of the State of Pennsylvania.

The Memorial & Petition of Wm. Pollard respectfully sheweth That on or about the 21st Day of May 1778 a Proclamation was issued by the supreme Executive Council of this State whereby a certain William Price Mercht formerly of this City was required to surrender himself to some Justice of the Peace for this State on or before the 6th Day of July then next ensuing the date of said Proclamation, the said Price not appearing as required was attainted of high Treason & his goods & chattles forfeited to the Common-wealth, & your Memorialist had Monies in his Hands of the said William Price amounting in Continental Money, a Contiental Certificate & some little Specie (which was out of Town in his Chest for two years) to the nominal Sum of Three Hundred & Sixty Seven Pounds 11-4 which Wm. Will & Robt. Smith Esqrs. Agents for Confiscated Estates called upon him for, but your Memorialist replied to them that he was advised by Counsel not to pay the said Monies without a regular Suit at Law as said Price never was a Citizen of this or any of the United States, & consequently in the Opinion of said Counsellor, not subject to attainder more than other British Subjects; some time afterwards the Honble. the vice President Wm. Moore Esqr. called on your Memorialist & pressed him to pay the Monies to the State Treasurer & said the State wou'd indemnify your Memorialist against the said Price. but your Memorialist gave the same answer to the Vice President which he had before given to the Agents, the consequence was that a Suit was brought by the State against your Memorialist in April Term 1782 who promised the Attorney General to give him as little trouble as possible, and at April Term 1783 the Cause was tried, but your Memorialists Counsel either through hurry of Business or some other Cause never inform'd your

Memorialist that the Trial was to come on that Term or of the Day of Trial & the cause was tried entirely without his Knowledge, by which means he was utterly deprived of the priviledge of offering undoubted Testimony that said Price never was an Inhabitant of the United States; your Memorialist's Counsel informs him, that some Cause set down for Trial on the Docket for a certain Day, was afterwards eraced and your Memorialist's Cause put down instead thereof, without his or my knowledge, & further informs me that this verdict against your Memorialist was obtained by the force & authority of an Expost Facto Law, or clause in a Law made respecting Harry Gordon and inserted avowedly for the purpose of my Cause during the pending of the Suit, these Circumstances are alarming & in the Opinion of your Memorialist highly dangers to the Liberty & Property of the good People of this State; Your Memorialist further begs leave to represent that in consequence of the Verdict aforesaid an Execution has been levied on his goods for said Monies although a tender was made by him of the indentical Monies belong to said Wm. Price & refused, & the Sheriff by Order of the Attorney General demanded Specie for the whole amount.

Your Petition therefore Prays that your honble. Board will be pleased to Order a stay of Execution until your Petitioner can obtain an answer from the Legislature which he has petitioned to have the Verdict sett aside as a Breach of the Treaty between these United States & Great Britain, or if that should not be Granted by the honorable House, then that the Sheriff may have Orders from your honorable Board to receive such Monies as do really & bona fide belong to the said Wm. Price, of which your Petitioner is ready to give solemn assurances, & your Petitioner will hold himself in duty bound to Pray.

Phlada. Augt. 17th 1778.

Gentlemen,

Being applied to by the Wives of several Persons who stand attainted of High Treason, and whose Estates have been seized by Commissioners appointed by the supreme Executive Council, and are now advertized for sale, I have considered

the sale and fully satisfied myself that no sale of any such forfeited Estates can lawfully be made before Inventories thereof are returned to Council, and entered by the Secretary in Rejister to be kept for that Purpose Concieving this to be the Sale, I have drawn up remonstrances aft. such Proceeding to the Council, And have this Day received An Answer from their Secretary that the Petition had been read in Council and that he had Directions to the Commissioners within the City not to proceed to a Sale, previous to the pursuing the above mentioned necessary steps, but as he has not had an oppertunity of giving the same Instructions to you I take this Opportunity of informing you thereof, in Order that no illejal Proceedings may be had.

This I have no Doubt will stop the Sale at Present as I am sure you would not purposely Act illejally, and thereby involve others in Difficulty as well as subject your selves to Trouble.

To the Honourable the President and Executive Council of the Commonwealth of Pennsylvania

The Petition of George Grover of Lower Marion Township in the County of Philadelphia

Most Humbly Sheweth

That in the Year 1777 your Petitioner lent Fifty Pounds to A Certain William Bell of East Town in the County of Chester, then a hopefull Young man, who, sometime after the British got posession of the City of Philadelphia Went in to them, and there remained with them, whilst in Philada., & went off with Them when they left the City, when I Lent my Money I knew that he had a handsome Estate in Upper Merion, on Which I took his judgment Bond, and thought my self safe, as he then bore the Character of a Civil Honest Industrious young man, & a Warm Friend to his Country. I applied to the Honble. Judges of the Supreme Court last term, And have obtained a Decree for my money, and am informed by the Honourable Chief Justice, that a Bell is Proscribed and his Estate Confiscated to the Common Wealth after Paying his debts, it is to your Honours I must apply to get relief, I am a man that Hath no Estate but what I earn by daily hard Labour, & can ill bear to Loose my money, I therefore most humbly Pray your Honours to grant me Relief, and to put me in some Way to recover My money which I honestly Earned by the Sweat of my brow, and your Petitioner as in duty bound Shall pray &ca.

GEORGE GROVER

WESTMORELAND COUNTY MISCELLANEOUS.

Philada. 12th. March 1791

Dear Sir

Upon a former Occasion I informed you that the Commissioners appointed to investigated the Charges Against the Prothonotary Westmoreland County not conceive themselves authorized to take up the Charge respecting his Agency for Confiscated estates wherefore his delinquency in that part of his duty, lys yet conceald from the Eye of Government. I did expect that the Commissioners Authority Woud have been extended to this Charge, & therefore took pains to Collect a Number of Receipts for Payment Made him, & would also have brought forward a Variety of Other Testimony to Prove the Payment of Considerable Sum I therefore hope that this part of the business will not be overlooked—For your better information upon the whole of the business, I shall beg leave to trouble you with a Copy of My letter to the Governor up the Subject; & will just add that I conceive there is an absolute Necessity for adopting the Most effectual & Speedy measures for the recovery of the Public Money in the hand of this delinquent; as it is very Evident to all who knows his Situation & circumstances, that he is Verging fast to Sudden destruction

I am Respectfully Sir
Your Obd Humb Servt.

Recd. of John Irwin Esq. March 12 1791 proposed that he should give any information in his posesssion of facts or of persons who can prove them relative to money recd. by the Agents he promises to do it before he leaves town

M.

Brush Hill, Westmoreland County July 30th, 1792.

Dear Sir:

I was honor'd with your favour of the 30th March upon the Subject of Mr. Huffnagles delinquency in the business of his Agency for forfeited estates. I would have done myself the pleasure of replying much sooner, but have been often abroad since the Receipt of your letter, & the short intervals which I have been able to appropriate to domestick pursuits have been so closely employd. in a variety of pressing concerns, as Scarcely to admitt a thought upon such an unworthy subject at this distable Reptile.

Indeed Sir, it is the respect I owe to yourself, & not the subject, that enduces me to write at all.

There was a time when I had this business much at heart, & took uncommon pains to detect & expose, & to procure the adequate punishments due to the Merits of such business & delinquency.

I believe there are but few instances (I might doubt whether any in Pennsylvania) of a private person unarmed with the power & authority of Office, thus steping forward individually & unsuported by all those whose public stations & duty ought to have urged their assistance, to Prosecute before the executive authority, an officer who had so long possessd. the honors of different offices.

I need not tell you what an arduous and perillous undertaking it was to embark in an enterprise of this kind. The influence of a Prothonotary office can make numerous friends & often stops the Eyes and Ears of those in the county, whose duty it is to See & Correct the abuses committed therein.

It was by unremitting perseverance that I carried on this Investigation thro. the Several Stages thereof; & I was even with difficulty that I extracted from that Nest of drones the late executive Council, their Several resolutions constituting a Court of enquery into the business: and I found that if the devil himself was arraignd before that Tribunal, he woud there find Numerous advocates. Had I not possessd. the most perfect and accurate knowledg of the almost innumerable enor-

mities & abuses committed by this officer, I would not have presumed individually to bring forward under the Circumstances just mentioned, Such an important subject to Public View: which at any event, whether Successful or not, I well knew would expose me to the resentment of various classes of men.

The Principal charges of public & private fraud, have been so clearly & fully supported, & now so generally known throughout this Country, that it is matter of astonishment to every candid & unprejudiced mind, to see such a character continue to disgrace a Public office.

The Proceedings of this investigation, together with all the Proofs & the Report of the Court thereon, were duly Transmitted to the Governor, & there they appear to have been buried in Oblivion.

The Governor's Conduct upon this occasion is a matter of surprise & conjecture to many. If his humanity so far got the better of his duty as to Continue as unworthy delinquent thro principles of Compassion for the Wretched Situation to Which he had reduced himself & family thro a long course of Vicious dissappation, he ought at least to have Made him accountable by sufficient securities for the public monies which he has with a fraudulent intention, Continually embezelled.—But even this, would have been but Poor Restitution for Crimes of Such Magnetude.

If the Treasury of your City was Robbed by an audacious hardened Villian, it woud be Small Satisfaction to have the treasure restored & the Culprit Sufferd to escape with impunity & Still permitted to persevere in his criminallity. The fate of this business, has Now determined me, to give myself No further trouble about it, or anything else Which may Require the interferrence or notice of the present executive authority. It is but too well known that delinquency, fraud & abouse have long prevaild in most of the Public offices in the Western Country, & it was high time that examples Should have been made; and it was the General Oppinion that a more Suitable Object could not be pilchd upon for a beginning than him who is the Subject of that address. But when abuses of this Nature are thus overlooked or Winked at, or I might rather Say encouraged & Rewarded from that Source Where Justice & Judgement ought to be impartially dispensed to all, I shall in future Content myself with bearing my quoto of such misfortunes as may Result from the Conduct of Public Men, or of opperation of Public measures.

If you Sir, Should be induced at any time, to Cer a Prosecution against the delinquent & should think Proper to call me for the Proof you have Required Respecting Confiscations, I Shall Chearfully lend my Aid upon Such Occasion— But it would be necessary that Compulsory Process Should Issue for Several person to make Affadavits for Payments made, Where Receipts have either not been taken, or are Now lossd.

I am Respectfully & with Regard
Dear Sir
our Obd. H. Servant

Dear sir:

I have sent you a Return of all the forfeited Estates sold the 1st and 2d of May last, and to whom sold Mr Tharp, & Crispin was to pay you the Amount of their Purchases in order to be paid to the State Treasurer, Mr. Tharp you may receive and Crispins all but Wt 4 for if it should so happen that the States cou'd not make him, he wou'd obtain an undue advantage, by having a right to call on the Treasury for the Amount in Kard money and perhaps wou'd be paid before the Poor fellows that fought and bled for those Certificates. From those Considerations and it being agreeable to the terms of Sale, I think it best not to recurr any part of the purchase of No. 4 P, a few lines by the bearer with what Instructions may be Necessary, particularly about the Certificates which do not call for Interest on their face, will much oblidge.

In the Decrees similarly circumstanced the same kind of Certificate has taken place— But Interest is one of Course from the time of ye sd. Decree—

H. OSBORNE E. G.

Sunbury Novemr. 2, 1813.

Dear Sir

You will much oblige me & serve an honest man of Luzerne county by giving some information from the Executive department respecting the estate of Andrew Allen died. His estate was forfeited by act of Assembly in 1778 (vide 1 Smith's ed. p. 449 &c. At that time among other lands he owned 4 tracts in Luzerne, then Northumberland, on heads of Tunkhannock creek, Nos. 7, 8, 9 & 10; being part of a survey of 3087 as. 39 ps., made 28th to 30th Sept. 1775. The papers respecting this have been formerly searched & found among the old papers of the Executive Council. The information desired is whether the title to this property yet remains in the Commonwealth, so that a legal title can be obtained from it; or whether it has been restored to the heirs of Allen or granted to any

other. Be so good as to make the inquiry & such compensation as you may deem reasonable shall be remitted you.

Your respectful friend & servt.

Mont Rose, Febr'y 22, 1822.

Andrew Gregg Esq.
Sir:

An ejectment was brought in this County to September Term 1821 in the name of Sweatland vs. Stanley and Plantiff exhibits title as follows.

Aug. 20th 1774.—

To Andrew Allen for 3000 acres situate on head Waters of Tunkhanok Creek.

Septr. 28, 29, 30, 1775.—

Survey by Charles Stewart 3087 acres 89 perches.

29th Augt. 1807.—

Deed from James Wheeler on sale for taxes to Roswell Welles for 3087-89 ps. in the name of Andrew Allen.

I made defence that the title of Andrew Allen had been confiscated, and that at the assessment of taxes on the land—the title was in the State of Penna. and consequently could not be a subject of taxation. See 1 Vol. Smith laws p. 449. for attainder of Allen's title.—I am fully confident that while the land was by reversion in the State it could not be sold at any rate for taxes, but if possible—not in the name and as the lands of Andrew Allen—an outlaw as to title in this country.

The Court incline to be of same opinion and have suspended further proceedings until I can obtain from you, or through your influence—the practice with regard to the lands of the commonwealth in this respect.—I can find no authority to tax such lands & reason is against it.

Will you be so good Sir as to inform me how Allen stands precisely with the State, as a land holder—and also with regard to the right of County Treasurers to sell the lands vested in the commonwth.

The Court of our county await your information on these subjects

Please excuse me Sir & believe me ye vy Humble Servt.

I have not nor do not expect any intrest in the business but a friend of mine wishes to give the information if not already done by some others. These are to certify his Excellency Jos. Reed and the Supreme Executive Counsel of the Commonwealth of Pensylva, That it Apears By Mr. Thos. Hailes Books That on the 25th of Aug. Last Past Messrs. Geo. Henery & john Dunlap Bought at Publick Vandue a certain Lot or Piece of Ground in The District of Southwark With a Pott house and several other Tenemetns &c Situate on the north side of Shippin Street one hundred feet on third street 96 feet on the North by ground of John Morris on the East by ground of Joseph Rhoads at £7000 Which Appears They Paid on the Eighth of Septr, £1450 And on the 19th Oct. following 5250 which is £7000 which appears to be the Full Purches money given under my hand this 28th of March 1780.

WILLM. McMULLIN Agt. P. C.

Sir:

It appears from the account of the agents of Northumberland county that the sum of £838 16 10 with the Interest was paid

by Dennis Leary (called agent for Miss Haller & Mean) paid said agents in depreciation certificates and by the Agents paid the Treasurer for 600 acres of Land sold as the forfeited Estate of Alex. Bartram in August 1781. It was advertized for sale as follows in the Pennsa. Packet, viz. inter alia "No. 1 a Tract of Land containing six Hundred acres in Fishing creek joining lands of John Solomon late "the estate of Alexr. Bartram" I do not find that any Deed was granted or any application made therefore. The terms of the Sale were that a deed should be made to the purchaser by council on producing the receipt of the agents for the purchase money. It hath since been alledg'd that one of the two tracts was in the name of the wife of Alexr. Bartram, so that the Commonwealth could only have a life estate in it when they sold a fee simple—however this might be I believe Mr. Bartram brought forward his claim thereto before the Justices of the Supreme Court, untill both the one and the other Tract were sold by the county Commissioners for arrears of Taxes. A few years since all claimants were by the said advertizement noticed to make their claim as aforesaid within a limited time or be excluded.

I have the honor of be sir with great respect your old servant,

JNO. NICHOLSON
Compt. Genls. Office
Septr. 12th 1791.

I am Affectionately &c yrs.

To his Excellency the President and the Honorable the Supreme Executive Council George Wall agent of Forfeited Estates beg leave to Represent that some time in July last Richard Backhouse Esq. gave me information of the within mentioned Tract of Land as the property of Joseph Galloway part of which he was in Possession of whereupon by virtue of a General order from the Board of Council to sell all the said Galloway's Estate I advertised the said Tract for Sale according to Law, and sold the same fairly as is within set forth, and I do certifie that the Person who was at that Time in Possession of the other part of said Tract was present at the sale acquieting therewith and did actually bid at the same also that altho between eighty and ninety pounds had been paid by the parties or those who had put them in possession as they alleged they had Galloways Receipt for yet they did not think they had sufficient vouchers to establish a Title; and they said they never had nor would lay in a claim to the Supreme court for the said Landon Monies advanced to the said Joseph Galloway.

GEO. WALL.

The Subscriber having on the 30th of October 1790 obtained a Patent for the Tract of 147 acres and 129 perches of Land sold as above doth hereby promise and engage to indemnify the Commonwealth against any claim for or on account of eight or ninety pounds which was paid to Joseph Galloway for the said Tract of Land prior to his Attainder within mentioned.

RICHARD BACKHOUSE.

Sir:

In the case of Pemberton vs the question arising on a case stated, is whether Mr. Galloway's Interest in the Estate real and personal of his wife as Tenant of the Curtesy

initiate was such an Estate as could be forfeited upon his attainder of High Treason?

The State having seized and sold the premises for his life it is of great moment to her that the forfeiture be established and Mr. Dallas and myself being employed by the individuals, who claim under the sale of the State, and who will of course, have their remedy over upon the State in case their claim is defeated, we deem it proper to appraize you of the situation of the controversy that you may direct the Interest of the State to be particularly attended to. We think that we are entitled to a Fee of one hundred Dollars each.

ESTATE OF JOSEPH GRESWOLD.

To his Excellency the President, and the Honble. the Supreme Executive Council of the Commonwealth of Pennsylvania.

Joseph Greswold the younger, of the State of New Jersey, son of Joseph Greswold of Long Island, in the State of New York, Distiller, in Behalf of his said Father, in all humble manner, craves Leave to shew,

That his said Father now is, and for many years last past hath continually been an Inhabitant of Long Island aforesaid, and never resided within or was a subject of Pennsylvaia. That several years since the said Joseph Greswold the Father rented a Distillery near this City to which he came with your Petitioner and continued with him a few weeks together at different times till he got his said son established in Business, but never changed his place of Residence or brought his Family with him, but returned from this place to them at Long Island aforesaid, before the Enemy took possession of New York, and as your Petitioner verily believes hath ever since continued to conduct himself void of offence towards his country—That not withstanding this, your Petitioner upon comeing to this city on Friday last, was informed, and not before, that his said Father (he having real Estate in this Commonwealth) stands attainted of High Treason by Reason of his not having surrender'd himself in Obedience to a Proclamation issued by your Excellency and the Council aforesaid, Dated the twenty second Day of June last.

With the most assured Confidence that it is no less the Desire of the President and supreme Executive Council of Penn-

sylvania, agreeable to their wonted Practice, to Protect the innocent, than to punish the Guilty, your Petitioner in the Behalf aforesaid is embolden'd to pray that a full and ample Pardon of the said Offence may be granted for the following Reasons:

1st Because as your Petitioner, who upon the approach of the Enemy towards this City took Refuge in the State of New Jersey, where he still continues to live, never heard of the said Proclamation till Friday last, it is not probable that his said Father, living upon Long Island has yet any Knowledge thereof, and if so, can be guilty of no Neglect or Disrespect, in not making a Surrender—2dly Altho your Petitioner's Father by having real Estate in this Commonwealth may come within the Letter of the Law, yet as he is not a Subject of this State but of the State of New York, he is more probably an object of the Laws of that State and punishable there for any offence he may be guilty of.

3dly Because your Petitioner presumes that the Charge made against his said Father by the said Proclamation was owing only to Misinformation of his having lived here, and joined the Enemy by taking Refuge with them, when in Truth and in fact, he is guilty of no other offence than that of returning to his family and home at Long Island before the Enemy took Possession of New York, and as no charge of Treason has been made against him in that State, where his Treason, if any he hath committed, must be better known than here, the Presumption of Innocence is strong in his favor—And your Petitioner shall ever pray &c.

JOSEPH GRESOWLD.

Phlada. Ss.

Joseph Greswold the petitioner above named upon his solemn Oath doth declare that the Facts set forth in the above and foregoing Petition, so far as they are within his Knowledge, are true, and that he verily believes the other facts therein contained to be equally true.

ESTATE OF ISAAC HICKS.

I have perused & considered the papers of Major Goforth relative to his purchase from Isaac Hicks; from which it clearly appears that Hicks after the Bargain, has ridiculously taken up the Idea of defeating Major Goforth's Titles recovering back the money from the State, under a Dodd of Gift which he now sets up as endeavouring to establish from his Father to himself.

I am however fully of Opinion that Major Goforths Deed from Hicks (especially when accompanied with the other papers) will be sufficient to convey not only the Title which Hicks derives under the State but also that which he held under his Father's Deed of Gift, supposing it ever so fair.

Yet in Order that the Deed from Hicks may be the more effectual, I think it would be proper that the Deed from council to Hicks should have Date on the same Day in which the money was paid to Mr. Agent Wall, which was prior to the Date of Hicks's deed. This Day I presume may be easily ascertained from the Agents Certificate; & I think no Impropriety would appear, in any point of view from the council's Deed bearing that Date. When this is done I think Major Goforth will be under no difficulty or Danger as to his Title; taking care only to present his Papers & to record his Deeds within the six months.

THOMAS McKEAN Governor.

An Act to vest in the devisees of James Parrock deceased such parts of the forfeited Estate of John Parrock, which have not been sold by this Commonwealth.

Whereas it hath been represented to the legislature that a small portion of the estate of John Parrock deceased forfeited by his attainder hath never been sold on behalf of the Commonwealth, and Richard Smallwood and others, heirs of the said John Parrock, have prayed that the same may be vested in them,

Therefore,

ESTATE OF JAMES STEEL.

To the honorable the supreem Executive Council of the Commonwealth of Pennsylvania.

The Memorial & Petition of Stephen Collins of ye City of Philadelphia Merchant respectfully sheweth

That your Memorialist having been inform'd by the Agents for Confiscated Estates, in the City of Philadelphia, that a lot of ground & the buildings thereon erected, late the Estate of James Steel Deceased in the said City, situate on the West Side of Second Street, near the Corner of Arch Street, has by Order of Council been seized as the Property of a certain Benjamin Booth Wherefore your Memorialist begs leave to Repre-

sent that the Estate aforesaid was assigned by said James Steel to John Reynols & Abel James in Trust for the Benefit of his Creditors, of whom your Memorialist for himself & as Attorney for another, is very considerably interested that the said Benjamin Booth is not now nor ever was a Creditor of said Steel, nor has not ever had any Interest, share or Part in the Premises, that the Assigns aforesaiad (or rather Abel James Who was the only acting Trustee) made several attempts heretofore, to sell said Estate, but by Reason of some Difficulty or Incumbrance was never able to make an actual Sale, so that it now remains in the same Situation as it did at ye time of ye said Steel's assignment.

Wherefore your Memorialist begs leave to petition your honourable Body to take the Premises into your Consideration & discharge the said Estate from ye Seizure aforesaid, that the Trustees may occupy the said Estate for the Benefit of the Creditors of the said James Steel as they have heretofore done.

DAVID FORST.

Dr. Sir,

From finding that some of the agents of forfeited Estates have been represented that they have recd. new loans and funded debt in payments for forfeited Estates sold I have taken the liberty to advise you lest they should be offered in payment that by the Act of Assembly of the 18th December 1780 no other Certificates are receivable by law than the depreciation Certificates. On these there is an interest allowable from the 10th of April 1781 on the unfunded or from the time to which Interest hath been paid on the funded unto the time the payment should be made by the purchasor to the agent, in your accounts you will please to distinguish between the principal and the interest and in your receipts to the agents to do the same so that when they render them at settlement of their Accounts the amount of each may be known.

I am with great respect Sir your Most obed. very humble Servant,

JNO. NICHOLSON.
Comptr. Genls. Office
March 1st 1790.

Christian Febiger Esqr. Treasr. of the State of Penna.

Sir

In consequence of your representation contained in your letter of the Seventeenth instant, I have received the appointment of John McNair junior as an agent for the Sale afforfeited Estates, in the County of Northampton; and you will be pleased to furnish him with the necessary documents and instructions to proceed to a sale of the estate forfeited by the attainder of Andrew Allen Esq. in 1778, upon the most advantageous terms for the Commonwealth and according to the provisions in such case by Law, made and established.

I am Sir Your Most obedient Servant
THOS. MIFFLIN.

Philada. 23rd January 1792.
To John Nicholson Esq.

Philadelphia, August 11th 1809.

Sir:

Reckhow purchased a quantity of confiscated estate, whether of the President and Supreme Council of the State, or of their Agents, is not known. I wish to have the Records of the office in which conveyances of such property are recorded (I suppose the Rolls or Land Office) searched from the year 1778 to the year 1790. If you will be good enough to direct such search to be made and transmit the result thereof to me together with the amount of your Bill for such search you will very much oblige.

Your very humble Sert.

Sir

As I consider myself absent from Philad. for a time only; I make no apology for not waiting upon you at your office previous to my departure and rendring you my best thanks for your polite attentions to me any Line of my Employment.

The State of the account of the Agents for ye sale of forfeited Estates with which you favoured me as far as the same had been printed I have found admirably adapted to answer many points of essential Importance to my enquiries in your State. There is however one point not noticed in ye State of accounts above mentioned and probably omitted purposely as a matter of indefference to ye publick in that account, which is very considerable in my Inquiry in ye view of ascertaining

ye measure of Loss by forfieture namely ye kind and value of ye money made receivable in purchases of forfeited property. I would be obliged to you to favour me with a shortline in answer to that point and to add your own opinion whether ye medium of purchase whatever it may have been in such cases may be deemed a good criterion of the value of the property sold or under what Qualifications and by what adequate Rule or Estimate, ye same may be safely so considered.

This not improbable but ye remainder of the work above mentioned has been since compleated & undergone an impression and as I am anxious to avail myself of your obliging promise of forwarding me one or two copies to Charleston I will be obliged to you to transmit them to me through the hands of Mr. J. Vaughan who will have occasion to forward me some other papers & letters by the first opportunity.

I have the honor to be Sir with true respect your most obedient humble servant,

JOHN ANSTEY.

John Nicholson Esq.
Comptr. Gen. office.
